### From the Committee

We are excited this month, with work on our long awaited AE Shelter at the school finally commencing. We have been saving for many years for this project and will continue to do so for some years to come. The price of building has risen considerably, so we are just constructing the bare minimum to start with and as we raise more funds, our goal is to add on amenities etc, over the coming years.

Last month saw several complaints about Stallholders with displays encroaching into walkways. Steve and Jane spoke with a few stallholders, who were more than happy to comply with the Terms & Conditions. A reminder to you all to not place displays in pathways, for everyone's safety. There was also an issue with someone parking in front of the garage doors, at the rear of Frogs Food & Fuel. Please ensure that all accesses are kept clear and unobstructed.

Finally, we are currently considering realigning stalls at the top of D & E rows, as well as changing site number G8 to AO. Any feedback from stallholders would be appreciated.

### Permanent Stallholder Up dates

This month we say farewell to Lee Saul of B10. We also say Welcome to Kylie & Jason at J21 with their *Award Winning Pasta*, also to Tony & Vicki at L23 (who will be away the next two months having a baby), Lisa at F29 (who will also be having a baby), Doug Philp at F15 and Darcy at O1

### Statistics

August Yungaburra Market was not quite full, with 243 stallholders, including 5 new permanent stallholders and 57 casuals. There were also 9 No Shows, from who we have cancelled another 4 stalls this month, being repeat offenders. One of the Coordinator's main jobs is to ensure our volunteer money collectors have an easy job following who's who on Market morning and we really appreciate our permanent stallholders cancelling when they will not be available. We always have a long list of casuals waiting on a spot, especially so over the coming three months. Thanks guys!

### From the Coordinator

Hello Stallholders, well, this is my 11<sup>th</sup> Market, and so far, so good... As my father so gleefully informed me this week: there are only 13 weeks until Christmas – very scary thought! Firstly, I must apologise for my error in last month's newsletter, regarding the date of Johannes Minder's passing, obviously it should have been August and not September. Sorry for that one. Secondly, a quick plug for the Yungaburra Community Association and the Yungaburra Sport & Rec Association's "Rec Shed" Fundraising. They are located at stall no E2 today and will be around over the coming months, as they are enthusiastically raising \$50,000 towards the Rec Shed in Memorial Park. Please support this fantastic local initiative, which will eventually benefit the whole community. On that note, I will wish you a great September Market, which should be busy, being School Holidays. See you all next Month (are you ready for the Folk Festival?), Jane

### Designated Smoking Areas

Thank you to those Stallholders who smoke, with most cooperating last month after the no smoking policy was introduced. We are aware that this is a contentious issue and appreciate your understanding in this matter. We are working towards appropriate signage at the Designated Smoking area on the lower ground behind the information sign.

### Terms & Conditions

16. Approval for Stall Holder's positioning and permanent site holding is at the discretion of the Market Sub-Committee.
17. The sale of puppies/dogs and kittens/cats is prohibited under a Tablelands Regional Council By-law. This is in line with the Council's 'Responsible Pet Ownership' laws. There will be no exceptions.
